## Prekindergarten Program Application (Confidential) Harford County Public Schools

**NOTE TO PARENTS/GUARDIANS:** Economics is the **primary** factor in determining prekindergarten eligibility. To date in the state of Maryland, **prekindergarten is not mandatory**; it is an application process based on age eligible children (4-years-old **on or before September 1**) and the economic status of the family (low income or homeless). Harford County Public School System **does not** have prekindergarten in every elementary school. Children receiving any services through HCPS prior to prekindergarten **are not** guaranteed enrollment.

**Directions:** Complete the application packet and submit only one prekindergarten application per child in person to your home prekindergarten program. If you submit more than one application your child's consideration for prekindergarten will be jeopardized. If you need help completing this application or have questions, call the school to which you will be submitting the application. A list of Harford County Public Schools with prekindergarten programs is provided on the back page of this application. You will be contacted about the child's enrollment status in the program. **All documentation must be submitted for your application to be considered complete.**

Prekindergarten Attendance/Tardiness/Transportation Procedures**

Harford County Public Schools are required to report attendance data to the Maryland State Department of Education, the agency which fully funds the program. Continued funding is based on evidence that the school system is using current funds within guidelines of the MSDE Standards for Quality Early Learning Programs. Documentation of attendance and parent-teacher conferences must be included to be in compliance with the designated guidelines. If your child is accepted into prekindergarten, the Attendance/Parent-Teacher policies below will be strictly enforced. Please sign the form below, detach it from the policy and return it with your application to indicate your awareness of the prekindergarten attendance/tardiness/parent-teacher conference policies. Keep the description of the two policies as your reminder of their importance.

**Attendance**

Once a child is enrolled in the program (s)he is expected to attend regularly. Regular attendance in the prekindergarten program will benefit your child. Not only is daily attendance necessary for the child to fully benefit from the program, but from a practical standpoint, to indicate that the parent values the opportunity to provide his or her child a quality preschool education at no cost. Additionally, a child with frequent absences prevents another child, who may attend regularly, from being enrolled.

**Children will be dropped from the program for excessive absences.**

**Absences, Tardiness and Late Pick-ups**

Children may miss school due to illness or family emergencies. A child who is absent should bring a written explanation upon returning to school. If absence is in excess of 3 days, a medical note is required. Excessive absences and/or tardiness and late pickups may jeopardize your child's enrollment and will be handled as follows:

- After 8 excused or unexcused absences/tardies/pick-ups, a parent-teacher conference will be held.
- After 12 excused or unexcused absences/tardies/pick-ups, a warning letter will be sent.
- After 16 excused or unexcused absences/tardies/pick-ups, the child may be dropped from the program. Parent-teacher conference will be held with administration (PPW)

Under no circumstances will a space be held open for a child enrolled in the program whose family leaves the area for an extended period of time with the intent of returning later in the school year.

**Transportation**

**Morning Session:**

Bus drivers will not drop off any prekindergarten child transported on a mid-day route unless a parent, guardian or pre-authorized designee is visibly present and prepared to take custody of the student. In the event no such parent, guardian or designee is present, the student will remain on the bus and be returned to his/her school at which time the parent will be contacted.

In the event a prekindergarten student is required to be returned to school more than twice during a school year under the above circumstance, the parent shall be required to meet with the Director of Transportation and may be subject to termination of bus transportation.

**Afternoon Session:**

Prekindergarten students will ride a general education bus with students k-5 and will be dropped off at their bus stop. It is responsibility of the parent/guardian to arrange supervision at the bus stop.

Additional detailed transportation guidelines and procedures can be found in the HCPS Parent/Student Handbook.

**Questions Frequently Asked by Parents Regarding Prekindergarten**

1. What is prekindergarten?

Prekindergarten is a state-funded program for 4-year-old children who come from families with disadvantaged backgrounds or who are homeless. The overall goal of prekindergarten is to provide learning experiences to help children develop and maintain the basic skills necessary for successful school performance. The program's goal is being achieved by providing appropriate experiences that address the literacy, cognitive, social, emotional, and physical needs of young children.

2. Who is eligible for this program?

Eligibility for enrollment in prekindergarten is extended to 4-year-old children who are from families with disadvantaged economic backgrounds, who are homeless, or are in foster care.

3. How do I find out if my child is eligible?

Pick up and fill out an application for your child. The school will notify you in writing before the start of the school year if your child will be enrolled in the program.

4. If my child already receives services from HCPS, are they automatically admitted to prekindergarten?

No, all children must qualify according to the eligible requirements for prekindergarten. Children can continue receiving services without being enrolled in prekindergarten.

5. Where can I get an application for prekindergarten?

Applications may be picked up at any HCPS elementary school but must be returned to the school that you wish your child to attend.

6. Can my child attend another prekindergarten program outside of my home school area?

Yes, however, bus transportation will not be provided. If the child is accepted into a program outside of your home school district, parents/guardians do not need to apply for a boundary exception. Boundary exceptions are required for grades k-12.
