

**MEMORANDUM OF UNDERSTANDING
BETWEEN THE HARFORD COUNTY BOARD OF EDUCATION
AND THE TOWN OF BEL AIR REGARDING THE SHARED USE OF
THE BEL AIR HIGH SCHOOL AUDITORIUM**

This MOU made this 30TH day of SEPTEMBER, 2009 between the Harford County Public Schools (BOE) and the Town of Bel Air (Town) this Memorandum of Understanding (MOU) establishes the agreement and mutual understanding between the BOE and the Town regarding the protocols, procedures and responsibilities which govern the shared use of the Bel Air High School Auditorium (Auditorium).

A. BACKGROUND:

In 2006, and during the planning and design of a new school facility for the Bel Air High School (BAHS), the BOE started to develop plans for the construction of a 540-seat high school Auditorium. During the planning stage, it was agreed that under a shared use agreement, the Auditorium could serve the educational and performance needs of both the BOE and the Town. It was with this concept in mind that on January 2, 2008, the Harford County Government (County) and the Town executed an Amendment to a Memorandum of Understanding (Exhibit A) in which both parties agreed to contribute additional funding to expand the Auditorium from a 540-seat Auditorium to an Auditorium with a capacity of approximately 800-seats. Under this Amended-MOU between the County and the Town, the Town agreed to contribute funding totaling \$1,500,000 with the understanding that the BOE and the Town would develop, execute and administer an MOU, as needed, to define parameters for the shared use of the Auditorium.

WHEREAS, pursuant to Section 4-113 of the *Education Article*, Annotated Code of Maryland, the Board holds all school property in trust for the benefit of the county public schools; and

WHEREAS, under Section 7-108 of the *Education Article*, the Board is to encourage the use of public school facilities for community purposes; and

WHEREAS, the Town of Bel Air will use the Bel Air High School Auditorium to sponsor special events and programs serving the citizens of Harford County; and

WHEREAS, the Auditorium is being planned to serve the performance and educational needs of the students and faculty at Bel Air High School and the performance needs of community organizations, including the special arts events sponsored by the Town of Bel Air.

WHEREAS, additional funding from the Town of Bel Air was provided to enhance the Auditorium for both school and community use, the parties agree that the Auditorium at Bel Air High School offers a unique opportunity for school facilities to serve both the performance and education needs of the students and the performance needs of the Town

of Bel Air and agree to the conditions as stated within this Memorandum of Understanding.

building improvements, donations of materials, merchandise, volunteer hours, tutoring, mentorships and general support.
