# Edgewood High School

## International Baccalaureate Program

2415 Willoughby Beach Road  
Edgewood, Maryland 21040

410-612-1500

# Benefits of an IB Education

- Students can earn up to **30 college credits** and **sophomore standing!**
- Become a confident, independent learner
- Encourage critical thinking
- **Improve time management**
- Learn how to study
- **Become more globally minded**
- Volunteer and serve others

# The CORE IB Components

- ◆ **Extended Essay**- In- depth research paper completed on a topic of student interest and choice
- ◆ **CAS**- reflective process focused on the areas of Creativity, Activity, and Service
- ◆ **TOK**- Theory of Knowledge, a critical thinking course that inquires into the ways in which we think and learn

# Global Studies Program

- During grades 9 and 10 students enroll in GS (Global Studies) and AP (Advanced Placement) courses that are infused with IB skills, ideologies, and practice IB assessments.
- Students have the opportunity to network with an upperclassmen Peer Helper.
